

MareFrame participating in the EurOCEAN2014 conference

The coordinator of MareFrame, Anna Kristín Daníelsdóttir and MareFrame administrative manager and acting CEO at Matis, Oddur Már Gunnarsson, attended the EurOCEAN2014 conference held at CNR in Rome, Italy, **7th - 9th October 2014**. They contributed to the finalization of the Rome Declaration, designed to set high-level future strategic directions for seas and oceans science and research capacities in Europe. The key theme at EurOCEAN2014 was on mechanisms to achieve cross-disciplinary approaches in addressing complex societal challenges.
