

MareFrame - introduced at the 2nd meeting of EC Coordinators of projects on Mediterranean & Black Sea

The coordinator of MareFrame, Dr. Anna Kristín Daníelsdóttir from Matís Iceland, attended the 2nd Meeting of EC Coordinators of projects on Mediterranean & Black Sea held at CNR in Rome, Italy, **6th October 2014**. The meeting was initiated and chaired by Dr. Vangelis Papathanassiou from HCMR, Greece and coordinator of the EU PERSEUS project. Dr. Papathanassiou identified almost 40 relevant project of which 25 projects were presented.

The concept of the meeting was to discuss the main common activities for which connection/interactions of the EU projects can be found (i.e. stakeholders' events, workshops, summer schools, data, knowledge, survey's, etc.) and have some concrete examples of cooperation. Each EU project coordinator presented their projects including the interactions made so far with other projects in addition to the planned activities for 2015. Discussions followed on potential connection points and actions for 2015.
